

## 2010 SWING INTO SPRING GAME SCHEDULE

Remember, these are exhibition ballgames with a 50-minute time limit- they do not count in the standings. The purpose of these games is to play in a controlled environment where players, coaches, officials, scorekeepers, supervisors, and parents can familiarize themselves with the procedure and flow of a game. The Home team is listed on the right side of the schedule and sits in the first base side dugout.
